Outstanding Performance

Mr. Garza,

U. S. Steel Tubular Products would like to extend its appreciation to Bless Oilfield Services for the outstanding performance in meeting crucial deadlines especially during our recent export order which demanded round the clock, seven days a week coverage for a time period of 3 months. Bless's dedication for complete customer satisfaction was noted and valued by U. S. Steel and our customers.

Over the past several years, U. S. Steel has depended on Bless Oilfield Services for various oilfield services and has delivered with exceptional performance along with conducting itself in a professional manner.

In closing, Bless Oilfield Services has always been an asset to our company which makes your company a very valuable commodity.

U.S. Steel appreciates your continued support and if you ever have any questions or concerns feel free to contact me at 713-882-2163.

Very truly yours,
