To Whom It May Concern:

TMK IPSCO Inc. and TMK NA have used Bless Oilfield Services to address conditions our company faces with environmental, handling, and storage of our inventory.

The innovative techniques used by Bless Oilfield Services has allowed our company to save 30% of the cost of traditional repair and reconditioning techniques.

We consider Bless Oilfield Services to be a valuable and reliable partner for the various needs and services required by TMK NA.

Sincerely,

TMK North America, Inc.
